

Melanie C, Don't Need This

City limits never change

Whispers keep me hunted

Though I challenge everything I remain captivated

Trying to leave this life behind

I have become the hunter

Now I'm planning my attack and I will surely rise again

Running from yourself isn't gonna save you

I don't need this I don't need you

I'm hitting back for what you put me through

I'm over this I'm over you

I'm taking back what I have given you

I don't need this I don't need you

I'm taking back what I have given you

I'm over this I'm over you

I'm hitting back for what you put me through

I don't need this I don't need you

I don't need this don't need you

Time has rediscovered me and everything I wanted

Now I'm standing here alone

Your presence haunts me

I had the strength to overcome

And introduce the fighter

No longer hidden in my self-inflicted pain and misery

Running from yourself isn't gonna save you

I don't need this I don't need you

I'm hitting back for what you put me through

I'm over this I'm over you

I'm taking back what I have given you

I don't need this I don't need you
I'm taking back what I have given you
I'm over this I'm over you
I'm hitting back for what you put me through

Am I lying to myself?
Is it wrong, is it right?
Trying too hard to impress
I wanna belong, feel alright
Am I lying to myself?
Am I wrong, am I right?

Running from yourself is never gonna save you

I don't need this I don't need you
I'm hitting back for what you put me through
I'm over this I'm over you
I'm taking back what I have given you
I don't need this I don't need you
I'm taking back what I have given you
I'm over this I'm over you
I'm hitting back for what you put me through

I don't need this I don't need you
I don't need this, don't need you
