Melanie C, I Want You Back

Every day, in my thoughts, you're my one obsession. Can't go on, need a fix, this is my confession. When you're not around the nights go along. You may be with her but with me you belong. I am the only one.

I want you back.
Whatever you do.
I want you back.
I've got nothing to prove.
I don't care what you said.
Want you back in my bed.
I want you back.
I want you back.

Can't let go, guess you know now I've blown my cover. What I want, what I need is no other lover. Try to deny it but you know it's true. No-one can make you feel like you do. I am the only one. I am the only one.

I want you back.
Whatever you do.
I want you back.
I've got nothing to prove.
I don't care what you said.
Want you back in my bed.
I want you back.
I want you back.

You can't keep running away from me. When something feels so right then it's meant to be. Like a dog with a bone I won't let go. Won't let go.

Try to deny it but you know it's true. No-one can make you feel like I do. I am the only one. I am the only one.

I want you back.
Whatever you do.
I want you back.
I've got nothing to prove.
I don't care what you said.
Want you back in my bed.
I want you back.
I want you back.

I want you. I need you. I want you. I need you.

I want you, I need you. I want you, I need you. I want you, I need you, ooooh
