

# Melanie C, I Wonder What It Would Be Like (Rick

(Never comin')

I see you every day  
I've known you for a while  
You always say hello  
I love the way you smile

Do you have any idea what seeing you does to me  
I'm not livin' any kind of life, I'm livin' in a fantasy

I wonder what it would be like  
If we turned out the light  
I wonder what it would be like  
I'm longing for ya, want to adore ya  
Who would be the first to strike  
If you stayed the night  
I wonder what it would be like to love you

Well don't you think its strange  
Fate brought you to my side  
I was doing crunches  
You were on stationary bike

I had given up on love I'd met too many freaks  
Ever since I was seventeen I've been on this loosing streak

I wonder what it would be like  
If we turned out the light  
I wonder what it would be like  
I'm longing for ya, want to adore ya  
Who would be the first to strike  
If you stayed the night  
I wonder what it would be like to love you

You can look at someone and use your imagination  
Oh give in (give in), give in (give in) give in to temptation

I wonder what it would be like  
(What would it be like)  
If we turned out the light  
I wonder what it would be like  
(What would it be like)  
I'm longing for ya, god I adore ya  
Who would be the first to strike  
(Who would be the first to strike)  
If you stayed the night  
I wonder what it would be like to love you

I wonder what it would be like  
(What would it be like)  
If you would hold me tight  
I wonder what it would be like  
To love you, to love you, to love you
