Melanie C, Suddenly Monday (Rough Mix)

Suddendly monday, appears again Where was the weekend, I lost it again Run to the bus stop, it's never on time I couldn't care less, cos you make me feel fine

Whenever I'm down, you're always around Maybe this time, true love I found What would I do, if I didn't have you? The things that you say, the things that you do

You make me high I wish that you knew, I wish I could tell you Together we'd fly Open your eyes, start reading my mind

Same conversation, every day So much to ask you, but I can't find a way Wherever you're going, can I come along? Whatever your star sign, wWherever you're from

The end of the day, and you're still around My head's in the clouds, feet on the ground Maybe I should, and maybe you would Maybe tonight, if only we could

You make me high I wish that you knew, I wish I could tell you Together we'd fly Open your eyes, start reading my mind

Na, na, na, na, na, na, na, na, na Na, na, na, na, na, na, na, na, na Na, na, na, na, na, na, na, na, na Na, na, na, na, na, na, na, na, na

You make me high I wish that you knew, I wish I could tell you Together we'd fly Open your eyes, start reading my mind

You make me high I knew that you would, the minute I told you Together we'd fly You gave me the sign, and now you are mine

Yeah

Na, na, na, na, na, na, na, na, na, na Na, na

You're makin' me, yeah you're makin me You know you're makin' me high, oh baby You're makin' me, you know you're makin me Yeah you're makin' me high, oh baby

 Na, na, na, na, na, na, na, na, na
