

Melanie Doane, Good Gifts

Good gifts of love
Good gifts to hand me down
From your first touch
To my wedding gown

Do you know
What you've given me
Do you even see
That you are wisdom to me
You are wisdom me

My song, my soul
You gave so easily
I'll not forget these gifts to me

We say goodbye
But we are not alone
Here with me still
My heart my home

Do you know
What you've given me
Do you even see
That you are wisdom to me
You are wisdom me

My song, my soul
You gave so easily
I'll not forget these gifts to me
I'll not forget these gifts to me
