Melanie Fiona, Give It To Me Right

Okay okay he's got my number and You can't, you can't warn me baby here I am Either you make the time or just forget me

I'm not, I'm not tryna run your life That's why, that's why I'm nobody's wife But when I want, when I want it You gotta be ready

I don't want it all the time, But when I get it, I better be satisfied So give it to me right, Or don't give it to me at all

I don't think you understand How real it is for me to find a man who thinks he can So give it to be right or don't give it to me at all Yeah yeaaah

On time, on time I expect you to be Oh my, oh my baby in my fantasy You can't get it right Then just forget it

No ways okay oor you to go around Oh oh, today You better make a touch down You know what I like Won't you except it

Uuuuh
I don't want it all the time
But when I want it
You better make me smile
So give it to me right
Or don't give it to me at all

I don't think you understand If you can't please me I know someone who can Give it to me right Or don't give it to me at all

This is the real life baby This is the life that makes me say

This is the real thing baby When I'm alone I can make me say Yeah yea, yea, yea, yea

I don't want it all the time, But when I want it You better make me smile So give it to me right Or don't give it to me at all

I don't think you understand If you can't please me I know someone who can So give it to me right Or don't give it to me at all

Give it to me right Give it to me right Give it to me right Or don't give it to me at all

Give it to me right Or don't give it to me at all
