

Melanie Flash, One In A Million

For all that I know, you're still living in me
I don't get why you went away
I wish I could turn back the cold hands of time
I'm longing for you to be mine
You're one in a million, you're once in a lifetime
You made me discover one of the stars above us
You're one in a million, you're once in a lifetime
You made me believe in love in heaven above us / x2
Remember the moments, alive in my dream
Still searching but you are not there
I stare at your picture, feels sorrow and pain
Can't wait till I feel you again
You're one in a million, you're once in a lifetime
You made me discover one of the stars above us
You're one in a million, you're once in a lifetime
You made me believe in love in heaven above us / x4
