

# Melanie Martinez, Pacify Her

Tired blue boy walks my way  
Holding a girls hand  
That basic bitch leaves finally  
Now I can take her man

Someone told me stay away from things that aren't yours,  
But was he yours, if he wanted me so bad?

Pacify her  
She's getting on my nerves  
You don't love her  
Stop lying with those words  
Pacify her,  
she's getting on my nerves  
You don't love her  
Stop lying with those words  
words, words, words

I can't stand her whining  
Where's her binky now?  
And loving her seems tiring  
So boy, just love me, down, down, down

Someone told me stay away from things that aren't yours,  
But was he yours, if he wanted me so bad?

Pacify her,  
she's getting on my nerves  
You don't love her  
Stop lying with those words  
Pacify her,  
she's getting on my nerves  
You don't love her  
Stop lying with those words  
words, words, words

Pacify her,  
she's getting on my nerves  
You don't love her  
Stop lying with those words

Pacify her  
She's getting on my nerves  
You don't love her  
Stop lying with those words  
Pacify her,  
she's getting on my nerves  
You don't love her  
Stop lying with those words  
words, words, words
