

Melanie Martinez, The Bakery

Pack it, box it, flip it, top it
With a bow tie ribbonm stop it
Eatin' all the raindbow cookies
Pies are flying through the roof

Not my first pick but i'll do it
Make the cash right so i can move quick
Out this shithole with a new whip
Cream on top and i'd appoved it

Pack it, box it, flip it, top it
(Pack it, box it, flip it, top it)
Pack it, box it, flip it, top it

My boss is MOther Mary
Catch me slippin; through the concreto
Show no mercy, step right on me
Stiletto death, send me to purogatory

The bakery tryna meke some more
They expected me to stay when i should go
Grab the bag for when they cross the door
lit ain't for me to roll it out
It's just for me to raise the dought

Pack it, box it, flip it, top it
With a bow tie ribbonm stop it
Eatin' all the raindbow cookies
Pies are flying through the roof

All the cherry, the way they all go
Knock 'em down llike she a dodgeball
Little mess up and she's angry
One doenfall, she blamed the whole team
