

# Melanie, The First Time I Loved Forever

The First Time I Loved Forever  
Melanie

The first time I loved forever was when you whispered my name.  
And I knew at once you loved me for the me of who I am.  
The first time I loved forever I cast all else aside.  
And I bid my heart to follow, be there no more need to hide.

And if wishes and dreams are merely for children, and  
if love's a tale for fools,  
I'll live the dream with you.

For all my life and forever, there's a truth I will always know.  
When my world divides and shatters, your love is where I'll go
