

Melanie Thornton, Back On My Feet Again

No matter what you do
Now it's too late
You may not understand
But this is your fate
Can't you see what you do to me
Are you really so blind

Get out of my way
Just leave me alone
This is what I want

I'm better off alone tonight
I'll be no longer by your side
Whouhoho, I'm back on my feet again
You better close the door and go
Don't tell me that you miss me so
Whouhoho, I'm back on my feet again

I don't belong to you
We are apart
You may not understand
But I don't want your heart
You can get with somebody else
I don't care what you do

Don't even call
Just leave me alone
This is what I want

You think that I'm lonely
But I know it's better without you
You're not the only
And I'm not looking for someone like you
