

# Meliah Rage, Deliver Me

Sometimes, I wonder  
Where have I been  
All these years invisible  
Too much, too little, too late  
My life, an illusion  
Of shadows in the dark  
How can I reason  
My mind torn apart

Oh lord I believe  
Oh lord I receive  
All I can say  
Is except my belief  
Pray to the son  
My hallowed one  
All I can say is  
Accept me your son

My time falls away  
Soon life will pass  
Confusion frustration  
This anger drives me mad  
Now searching for a feeling  
Of strength, now I pray

Oh lord I believe  
Oh lord I receive  
All I can say  
Is except my belief  
Pray to the son  
My hallowed one  
All I can say is  
Accept me your son
