

# Meliah Rage, Madness And Poetry

Science and magic  
Beautifully tragic  
Secret obsession  
Manic depression

In the thundering distance  
I hear voices that say  
That I am the master  
Of all I survey

Through the deafening silence  
Comes a message for me  
I see beauty in chaos  
Like some mad poetry

Under hypnosis  
Severe psychosis  
Mild paranoia  
State of euphoria

Through the deafening silence  
I hear voices that say  
That I am the master  
Of all I survey

In the thundering distance  
There's a message I see  
There is beauty in chaos  
Madness & poetry

Schizophrenia  
Bi-polar mania  
Self destruction  
Major malfunction  
Bury the pain  
Scars remain  
Twisted psychology  
Madness & poetry
