

# Melii, Hey Stranger

Hey, what's up, stranger?  
Feel like I don't know you anymore  
You got too much pride, gettin' worse than before  
Look you in your eyes, they don't glow like before  
Guess the fire burnt down, then who ignites it anymore  
You won't even come down to my side anymore  
Gave you all my love, guess you needed more  
All them girls is cute too, I see you finessin' but  
You know the [?] and you offensin' my blessings, yeah

(I sent you blessings, I sent you blessings)  
But you know that I was different for you  
(Yeah, you know, yeah, you know, yeah, you know, yeah, you know)  
I kept them boys distant for you  
(For you, for you, for you, for you)  
Just to protect you, protect you  
(Yeah, you know, yeah, you know, yeah, you know, yeah, you know)

Power to the pussy  
You know that I can't lose when I use her  
She my, but shit get messy introducin' her  
You know them boys want them bodies like a trophy  
Always been a prize, don't get gassed up like you chose me  
'Cause I've been blessing souls since '97  
Anything I touch is turnin' into gold, like I was sent from Heaven  
Momma doin' shows, now always touchin'  
It's like I never had the time, not to dwell right now

(I sent you blessings, I sent you blessings)  
But you know that I was different for you  
(Yeah, you know, yeah, you know, yeah, you know, yeah, you know)  
I kept them boys distant for you  
(For you, for you, for you, for you)  
Just to protect you, protect you  
(Yeah, you know, yeah, you know, yeah, you know, yeah, you know)
