

Melinda Doolittle, There Will Come A Day

It's not easy trying to understand
How the world can be so cold, stealing the souls of man
Cloudy skies rain down on all your dreams
You wrestle with the fear and doubt
Sometimes it's hard but you gotta believe

Chorus:

There's a better place, where our Father waits
And every tear He'll wipe away
The darkness will be gone, the weak shall be strong
Hold on to your faith

There will come a day, there will come a day
Wars are raging, lives are scattered
Innocence is lost, and hopes are shattered
The old are forgotten, the children are forsaken
In this world we're living in
Is there anything sacred?

There will come a day, there will come a day
The song will ring out, down those golden streets
The voices of earth with the angels will sing
Every knee will bow, sin will have no trace
In the glory of His amazing grace
Every knee will bow, sin will have no trace
In the glory of His amazing grace

There will come a day, there will come a day
Oooh there will come a day
I know there's coming a day, coming a day
