

Melissa Auf Der Maur, Head Unbound

Fall around the fire,
And I, fall around the fire
A higher me for you,
Hire me for you

Fall around town, down
For the rest of the world to drown
For you'll come down
To the rest of your falling down,
On your head

Falling down
With your head unbound
I'm falling down
Down to your ground

Fall around town, down
For the rest of the world to drown
For you'll come down
To the rest of your falling down,
On your head

And I said you could hurt me
No more,
With your heart on the floor
I said you could hurt me no more
To the rest of the world it's sure
That you will hurt me no more
To the rest of the world,
You're surely hurting, surely hurting more

Falling down
I'm falling down
Downtown to your ground
