

Melissa Dori Dye, Wait Lady Of Mine

you and i lady of mine
we are all we imagine
this love is devine
it's true and i will see you thru these times
these times
these lonely times

when i'm scared and confused i hold you and i'm me again
it's me again, dreaming you
when i'm with you i'm so in love
did the skies make this life for us

wait ... wait ... wait
heard you say my name
that look in your eyes, i couldn't go on
i chased the dream, all for love

the tide moves in and out it goes
wants me to leave you, i never will
won't you stay
without you it's meaningless

wait for me
say you see

i can't change the rain or the clouds in the sky but
i could love you forever
that look in your eyes, i couldn't go on
endlessly she dreams of love
when you're scared or confused i'll hold you see
if you leave i refuse to let go, i want you to know

my love wait for me

wait ... wait ... wait

heard you say my name
that look in your eyes, i could be wrong
stay with me
be in love

the tide moves in and out it goes
wants me to leave you, i never will

you and i move in time
you will be the reason
our love so deep forever is nothing but a moment in a vast eternity

you will be the reason why
wait ... wait ... wait
heard you say my name
that look in your eyes, i could be wrong
stay with me
be in love

the tide moves in and out it goes
wants me to leave you i never will

wait ... wait ... wait
heard you say my name
that look in your eyes, i couldn't go on
i chased the dream, all for love

the tide moves in and out it goes
wants me to leave you, i never will

you and i lady of mine
you and i lady of mine
you and i lady of mine
you and i lady of mine
