

Melissa Etheridge, Every Breath You Take

Every breath you take and every move you make
Every bond you break every step you take
I'll be watching you
Every single day every word you say
Every game you play every night you stay
I'll be watching you

Oh can't you see you belong to me
How my poor heart aches
With every step you take

Every move you make every vow you break
Every smile you fake every claim you stake
I'll be watching you

Since you've gone I've been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
Feel so cold and I long for your embrace
I keep crying baby baby please
Ohhh ohhh

Oh can't you see you belong to me
How my poor heart aches with every step you take
Every move you make every vow you break
Every smile you fake every step you take
I'll be watching you
Every move you make every step you take
I'll be watching you
I'll be, I'll be, I'll be watching you

Every breath you take
Every move you make
Every bond you break
Every step you take
Every single day
Every word you say
Every game you play
Every night you stay

Every breath you take
Every move you make
Every bond you break
Every step you take
Every single day
Every word you say
Every game you play

I'll be watching you
I'll be watching you
I'll be watching you
I'll be watching you

[Band intro]

Ohhh ohhh
Ohhh ohhh
Every breath you take
Every move you make
Every bond you break
Every step you take
Every single day
Every word you say
Every game you play

Every night you stay

I'll be watching you

I'll be watching you

I'll be watching you

Watching you yeah

Ohhh ohhh

Ohhh ohhh

I'll be watching, watching you

I'll be watching you
