

Melissa Etheridge, Let's Get It On

I've been really trying now baby
Been trying to hold back this feeling for so long
But if you feel like I feel honey
Come on, come on baby, come on
Let's get it on
Baby let's get it on
Honey let's get it on
Let's get it on
We're all sensitive people
With so much to give
Understand me
As long, as long as we got to be right here
Let's live
There's nothing wrong with me
Loving you, no
Giving yourself to me
Can never be wrong
If the love is true
Don't you know how sweet and wonderful life can be, yeah
I'm just asking you, baby
To get it on with me
But I ain't gonna worry
I'm not gonna push
No I won't push you baby
Come on, come on, come on, come on darling
Stop beating around the bush
I want to get it on
Let's get it on baby
Let's get it on
