

# Melissa Etheridge, Shook Me All Night Long

She was a fast machine  
She kept her motor clean  
She was the best damn woman that I ever seen  
She had a-sightless eyes  
Telling me no lies  
Knockin' me out with those American thighs  
Taking more than her share  
Had me fighting for air  
She told me to come, but I was already there

'Cause the walls start shaking  
The earth was quaking  
My mind was achin'  
And we were makin' it  
You shook me all night long  
Yeah you shook me all night long

Running overtime on that seduction line  
She's one of a kind  
And she's mine all mine  
Wanted no applause  
Just another cause  
Made a meal out of me, and then came back for more  
She had to cool me down  
To take another round  
Now I'm back in the ring to take another swing

And the walls were shaking  
The earth was quaking  
My mind was aching  
And we were making it  
You shook me all night long  
Yeah you shook me all night long  
You really knocked me out  
You shook me all night long  
Had me shaking now  
You shook me all night long  
Well you shook me

You really knocked me out  
You shook me all night long  
Ah darling  
You shook me all night long  
Yeah yeah  
You shook me all night long  
You really got me baby  
You shook me all night long  
You shook me  
You took me  
All night long
