

# Melissa Ferrick, Heartbeat

come on, come on, come on  
show me yourself  
open up your eyes,  
this is your life  
and this is me,  
walking in

so don't hesitate,  
don't even try  
cause holding your breath  
is a giant waste of time  
cause the heart keeps pumping  
without the mind

and i'd like to feel your heartbeat  
i'd like to feel your heartbeat  
yeah, i wanna feel your heartbeat  
next to mine

i wanna feel your heartbeat  
i'd like to feel your heartbeat  
yeah, i wanna feel your heartbeat  
next to mine

so imagine me  
imagine you,  
you've got a red wine high  
with your head  
falling down your spine  
and you are making beauty  
out of highway miles  
out of that smile  
come on

so come on, come on, come on  
let's take this ride  
out to the seaside  
we could walk a moonlit mile  
we could try to make it last a while  
we could kiss for hours  
on a wooden floor  
and both go to sleep  
when we both don't want more  
we will fall into each other's arms  
we will fall, we will fall

i'd like to feel your heartbeat  
i wanna to feel your heartbeat  
yeah, i wanna feel your heartbeat  
next to mine

i wanna feel your heartbeat  
i'd like to feel your heartbeat  
yeah, i wanna feel your heartbeat  
next to mine

so come on, come on, come on  
show me yourself  
open up your eyes  
this is your life  
and this is me  
walking in  
this is me  
walking in

i'm walking in
