

# Melissa Manchester, Fire In The Morning

I know it's late to call  
I don't blame you if you're angry  
But there are things  
That only old lovers understand

I remember rainy nights like this  
When we'd go to bed real early  
(And) try to catch each other's dreams  
And wake up holding hands

We'd light a fire in the morning  
And keep it burning strong  
Outside it could be storming  
But we never felt so warm  
We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning  
And make love all day long

I hope you know  
It's not that I've got no one else to go to  
'Cause I keep thinking of you  
Even when I'm not alone

Now I'd love to hear you say  
I'm still the one you can't say "no" to  
And that you'll take me back tonight  
For all the love we've known

We'd light a fire in the morning  
And keep it burning strong  
Outside it could be storming  
But we never felt so warm  
We'd curl up on the couch  
And trade the world for our love song  
We'd light a fire in the morning  
And make love all day long
