

Melissa Manchester, I'll Never Say Goodbye

Say goodbye?

Why, I can barely say goodnight
If I can hardly take my eyes from yours,
How far can I go?

Walk away?

The thought would never cross my mind
I couldn't turn my back on spring or fall
Your smile least of all

When I say always

I mean forever
I trust tomorrow as much as today
I'm not afraid to say "I love you"
And I promise you
I'll never say goodbye

We're dancers on a crowded floor
While other dancers live from song to song
Our music goes on, on and on.
And if I never leave your arms
I really will have traveled everywhere
For my world is there

When I say always

I mean forever
I trust tomorrow as much as today
I am not afraid to say I love, I love you
And I promise you
I'll never say goodbye

How could I ever say goodbye?
