

Melissa, We All Live Together - So Bad !

Everybody's talkin' on the telephone

Everybody's happy when he's coming home

Everybody needs somebody by his side

Everybody
everybody
everybody
everybody.

We all live together - so bad!

We all live together - so bad!

We all live together - so bad!

Ohyeah

ohyeah

ohyeah

ohyeah.

We all live together - so bad!

We all have to use our head.

We all live together- so bad! Oh yeah.

Everybody's drinkin'
smokin' cigarettes

Everybody hates to pay his yearly tax.

Everybody's living only for himself

Everybody
everybody
everybody
everybody.

We all live together - so bad! . . .

We all live together - so bad! . . .
