

Mellow, Shinda Shima

I went one day to Shinda Shima
The place which is supposed to be
A land of peace and happiness

I went one day to Shinda Shima
A place which is (?) to be
A land of desolation

Shinda Shima
Shinda Shima
Do you think I can trust you?
Do you think I can trust you?

I went one day to Shinda Shima
I saw some people suffering
And children crying every day

I went one day to Shinda Shima
I think I'll never go again
A place of (?)

Shinda Shima
Do you think I can trust Shinda Shima?
Do you think I can trust you?
