

Mellowdrone, And Repeat

Oh man, I'm so tired
Of waiting, waiting for you
Why don't you make up your mind,
And stop fucking wasting my time?
You're just so amazingly cool
'Cause someone wrote a song about you
Oh please, can I shake your hand?
So I can grow up to be just like you

Oh no, what did I do?
What did I do to deserve you?
Oh now, what did I do?
Oh no, it's gone away,
It's gone away, but I want it to stay.
Oh no, what did I do?

You sure do talk a lot
About pretty little things you want to get done
I'd honestly slam my hand in a car door
To shut you up
Now please don't take any offense
You are who you are who you are
I guess I am a spoiled brat
But compared to you, I'd rather be that

Oh no, what did I do?
What did I do to deserve you?
Oh now, what did I do?
Oh no, it's gone away
It's gone away but I want it to stay
Oh no, what did I do?
Oh no, what did I do?
What did I do to deserve you?
Oh now, what did I do?
