

Mellowdrone, Beautiful Day

today is going to be a beautiful day uh huh
no more waiting for the usual thing uh huh
don't dare waste your time boy
don't dare waste your time
no more waiting for the usual thing uh huh
what can i do to make this plane go through uh huh
approach it then in a different way uh huh
someday i'll get it right
i swear i'll get it right
today is going to be a beautiful day uh huh
