

Melodie Crittenden, Broken Road

I set out on a narrow way,
Many years ago,
Hoping I would find true love
Along the broken road.
But I got lost a time or two,
Wiped my brow, kept pushing through,
I couldn't see how every sign
Pointed straight to you.

Chorus
Every long lost dream
Led me to where you are
Others who broke my heart
They were just northern stars
Pointing me on my way
Into your loving arms.
This much I know is true
(That) God blessed the broken road,
That lead me straight to you.

I think about the years I spent
Just passing through
I'd like to take the time I lost
And give it back to you.
But you just smile and take my hand.
You've been there, you understand,
It's all part of a grander plan
That is coming true.

Chorus
Every long lost dream
Led me to where you are
Others who broke my heart
They were just northern stars
Pointing me on my way
Into your loving arms.
This much I know is true
(That) God blessed the broken road,
That lead me straight to you.
Straight to you.

Now I'm just running home
Into my lover's arms.
This much I know... I know it's true
(That) God blessed the broken road,
And led me straight to you.
(Yes) God blessed the broken road,
And led me straight to you.
