

Melody Club, A Matters Of Days

shes got her jobs and shes working nine to five shes out for lateshow
get your clothes its getting time to go oh oh oh
soon she wakes up to the sound of foxy music on the radio
early morning wakeupcall you know oh oh oh
and yes shes a godess
maby its just a matter av days
and I reach for you
in a mittle of a song
reach out
and it feals like comming home
reach out
now shes getting on the subway which will take her to subovium
station after station looks the same oh oh oh
and the day goes by with out to much excitement time to cloes now
time to dress up for the city night oh oh oh
and yes shes a godess
maby its just a matter av days
and I reach for you
in a mittle of a song
reach out
and it feals like comming home
reach out
schhhhh.....
she starts to move and soon she stands into the music on the dance floor
hundredmillion doller boys to go oh oh oh
oh and every day goes on and on and on and on and on now
and every single one does look the same oh oh oh
and yes shes a godess
maby its just a matter av days
and I reach for you
in a mittle of a song
reach out
and it feals like comming home
reach out
