

Melody Club, Love Drive

it's everywhere you go, it's everywhere
don't you know
everytime you smile, i die for a while
don't you know
i'm walking on air, whenever you're near
don't you know

i look into your eyes, you give me blue skies
don't you know
don't you stop now honey
don't you know i'll never let you down
don't you quit now honey
don't you know i'll never let you down

are we ever going to make it?
