

Melody Fall, Tom, Special guy

Tommy From myspace is a special guy
He's never kissed a girl tell himself he's shy
He thought he gotta fake everything he tries
He wants to see the world but he hates to fly
One day he created just a cool website
A stupid wrong idea changed his life
Something like a blog not so much to say
That's Myspace a big surprise
Tom Tom wake up tonight
You cant waste all your time
there's a bug to deal with
Please Tom now save myspace!
Tom Tom no one here knows
If you're real or not
Please leave us a comment
Please Tom just let us know
He's the one who has hundred million friends
He's the one who knows everything
It's because of him that we spend our time
Everyday and night on this cool website
Now I talk to you all the girls and guys
wasting all your time checking mails
Comment, blogs and friends this is all you need
Hurry up check you Homepage
