

# Melody Thornton, Go Too Far

Yeah...

Yo this another big big kid exclusive right hurr baby

(wait a minute) beatster music (just a second) i

'm gone slow it down foe da ladies right hurr

(ya hear what i'm talking bout)

I can't do dat wait a while

Let's go!!!!!!

[chorus]

Let's wait a while before its too late, lets wait a while our love would be great let's wait a while before

[first verse]

We can slow it down wait around for a minute and pick dis hang back up so we can get wit it you know

So we can floss a little ride wit me in my bentley coordinated clothes true religion true religion then

[chorus repeat 1x]

Its crazy all da things she do to try to get wit me always trying to get me say she flyin to my city she

[chorus repeat 1x]

See i be feeling you i know dat chu be liking

Me you can come take a ride its alright wit me

[girl's voice:]

If you try to act like i was just watching

You i know you like this

[jibbs:]

See i be feeling you i know dat chu be liking

Me you can come take a ride its alright wit me

[girls voice:]

If you try to act like i was just watching you i know you like this baby...(boom boom clap, boom boom)

[back to chorus (repeat 2x's)]
