

# Melody., With You

I can see you  
I can hear you  
You're always inside my heart  
I believe in my love

I'm not alone

You're not alone

I'm with you  
Let me be with you now

I'm with you

Don't be afraid,  
I'm not afraid  
Cuz I believe in you and me

&lt;/lyrics&gt;
