

# Melanie Cannon, Separate Ways

The more I think I know, the less I do  
I guess I need a change of attitude  
So many times I've thought that I knew best  
Guess I'm no better than the rest

The hands of time have proved, that I was wrong  
So I'll tell you in this simple song  
I'm not asking for your sympathy  
I just want you here with me

chorus:

There are times I know  
Maybe I should go,  
and other times I should stay  
We oughta work it out  
See what true love's all about  
Or go our separate ways

Everybody's got to sing their song  
Do what they feel even if it's wrong  
And if you're thinking that you know best  
Then you're no better than the rest

Maybe time will wipe your tears away  
And we can show our love a better day  
If someday life should bring us to our knees  
Then we'll need some company

repeat chorus twice
