

Melvins, Adolescent Wet Dream

ha
adolescent wet dream
this is a tune form
Pussy Galore
set it up
pussy blame
like a sinner shelter
move in now
stay at home
won't you shut up?
yeah
every frequent mammal
oh sins around
and bashes it out
its like a bah
I'm not a saint
like a sinner shelter
swing it on now from now
honesty got to say
oh you gonna mess it up
who never gonna fuck it up
yeah
what the hell were you thinking of?
