

Melvins, Antitoxidote "Pigs Don't Let It."

ANTITOXIDOTE

May be since I'm mad inside my arm
Last truth gonna let it fake away
Try hard
And I heard her stay
When she's like a piece of candle lone
Last slip gonna let it toss away

Pigs don't let it (x4)
Like a hole it's a bone let's a body goad
Pigs don't let it
Like siz, bust it while it roll
Pigs don't let it
No no no no no no

When she's like a piece of candle lone
Last you gonna let it toss away
Try hard
And I heard her stay
May be since I made it inside my arm
Last true gonna let it trust away
