## Memento Mori, Morbid Fear

In your dreams the sights they submit these shadows will constantly glow.

Deeper you fall into the pit where madness will constantly flow.

Twisting your mind a vision obscure the islands will silently crawl (silently crawl) Into the unknown sleep my child sail the seas of neverland deep within your soul wayward child morbid fears are close at hand.

Close your eyes the moment is here it's time to face what you fear.

Something weird, evil it senses unseen but strong is its presence drowning in fear of things to come time is short, the threshold is near.

Insanity reigns in dark hidden what's left reality the outcome is clear (the outcome is clear) they are closing in.

Fade away - into the unknown. Fade away - sail the seas of neverland. Fade away - deep within your soul. Fade away - morbid fears are close at hand.
