

Men At Work, Ain't Nothing Gonna Hold Me Down

Last night I had the strangest dream,
I sailed away to China in a little rowboat to find you
And you said you had to get your laundry cleaned
Didn't want no one to hold you, what does that mean?

And you said
Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

You're on the road and now you pray you'll last
The road behind you was rocky
But now you're feeling cocky
You look at me and you'll see your past
Is that the reason you're running so fast?

And she said
Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

Never let another girl like you, whip me over
Never let another girl like you, drag me under
If I meet another girl like you, I will tell her
Never want another girl like you, have to say

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving
