

# Men At Work, Catch A Star

Experience babe, kickin' stones and cans  
Experience babe, cigarette-stained hands  
It's not too late, hear it in the wind  
It's not too late, feel passion creepin' in  
Intoxication, familiar smells of the hotels  
Infatuation, of knowing who you are

You and I, You and I, You and I,  
Arrow through my heart,  
Catch a star.

Isolation, rows and rows of cars  
Isolation, like Jupiter and Mars  
Staring faces, set in celluloid  
Welcome to the late show, starring Null and Void  
Complications, things get in the way  
Sweet sensation of knowing you are near and not too far

You and I, You and I, You and I,  
Arrow through my heart  
Catch a star.

You and I, You and I, You and I,  
Freeway through your heart  
Catch a star.

Catch a star!
