

Men, Women & Children, Lightning Strikes Twice

These words are like lightning on the tip of my tongue
And they will strike you dead if you ever repeat them
From my damage control to the top of the mountain
If the crush gets tired, then you can forget the kiss

If I can't find a way out of here
Then alright, then alright

Even if you die
Even if you die tonight
Even if you die
We saved your life
(Even if you die
We saved your life)

Even if you die
Even if you die tonight
There was only one thing on our mind

I will forgive but I will not forget
All the things you said in the beat of the moment
So give some sweet girl, for here there are none
And if the body's numb, then the feet will take over

Even if you die
Even if you die tonight
Even if you die
We saved your life
(Even if you die
We saved your life)

Even if you die
Even if you die tonight
There was only one thing on our mind

Lightning strikes twice in New York
Lightning strikes twice in New York
Lightning strikes twice in New York
Lightning strikes twice in New York
Lightning strikes twice in New York
Lightning strikes twice in New York
Lightning strikes twice in New York
New York! New York!
New York! New York!

Even if you die
Even if you die tonight
Even if you die
We saved your life
(Even if you die
We saved your life)

Even if you die
Even if you die tonight
There was only one thing on our mind
(Even if you die, we saved you!)
