

Men, Women & Children, Vowels

I know that you have no clue
We're onto you
Cutting corners with a silver spoon
We're on to you
We couldn't live without you

A-E-I-O-U Nothing

Caught you swimming in the neighbor's pool
Wearing your shoes, your shoes
Saw you running for the bus to school
I'm on to you
But we just couldn't pass you

A-E-I-O-U Nothing
A-E-I-O-U Nothing
Don't ask me for a single cent
A-E-I-O-U Nothing

Talking circles on the telephone
We're calling you
Looking for you with a megaphone
We're calling you
Cause we still can't live without you

A-E-I-O-U Nothing
Don't ask me for a single cent
A-E-I-O-U Nothing
Don't ask me
Don't ask me

I won't give you anymore
I won't give you anymore
I won't give you anymore
I won't give you anymore
I won't give you anymore

Nothing

A-E-I-O-U Nothing
A-E-I-O-U Nothing
Don't ask me for a single cent
A-E-I-O-U Nothing
Don't ask me
Don't ask me

A-E-I-O-U Nothing
Don't ask me for a single cent
A-E-I-O-U Nothing
Don't ask me
Don't ask me
