

# Mendetz, Inside!

&lt;I have no words to tell

I have no letters to say

What's inside of me

Cause when I look at myself

I see just a piece of meat

Under a cover of skin.

But there's something strange,

There's something odd,

Going through my body...

And I don't know what it is,

I can't explain it,

I feel a tingling inside here...

I think I have Something inside of me but I don't know

I think I have Something inside of me but I don't know

Oh, I Never had the feeling

To be someone

The personality

individuality

IDENTITY!! (x3)

I have a name

'Cause I have a document

I have a photo of myself but

Have I a face?

And Nobody can, nobody want

Tell me the truuuuuth...

That thing inside of me

That thing inside of me

Is my identity!

I thing I have something inside of me but I don't know

I thing I am someone I am someone but i don't know!!

Oh, I Never had the feeling

To be someone

The personality

individuality

IDENTITY!! (x3)&gt;
