

# Menswear, Piece Of Me

sex is a secondary thing doomed to come dumb and king  
what's your preference? Come on now and talk some sense  
do you know where to draw the line? If i seem to act unkind  
sometimes i try too hard, sometimes i go to far  
it's my way of showing you, you own a piece of me  
it's my way of showing you, you own a piece of me  
please don't get tired of me, or this crazy situation  
try and bare along with me, have a lot of patience  
maybe i will surprise you, maybe i will hurt you  
sometimes i won't think straight, sometimes you'll have to compensate  
it's my way of showing you, you own a piece of me  
it's my way of showing you, you own a piece of me  
sex is a secondary thing doomed to come dumb and king  
what's your preference? Come on now and talk some sense  
do you know where to draw the line? If i seem to act unkind  
sometimes i try too hard, sometimes i go to far
