

# Menswear, Shine

Lowest common denomination  
Karma-Cola thirst  
I have come too far for this  
It's a curse  
Prey on those without direction  
Independance void  
I want to play your games today  
You're annoyed  
I will fly someday  
I will rise like Lazarus  
I will shine  
Color me they paint by numbers  
Pen another verse  
Judas clowns they bring me down  
And it hurts  
I will fly someday  
I will rise like Lazarus  
I will shine
