

Menswear, Shine

Lowest common denomination
Karma-Cola thirst
I have come too far for this
It's a curse
Prey on those without direction
Independance void
I want to play your games today
You're annoyed
I will fly someday
I will rise like Lazarus
I will shine
Color me they paint by numbers
Pen another verse
Judas clowns they bring me down
And it hurts
I will fly someday
I will rise like Lazarus
I will shine
