

Menswear, Stardust

(it's only rock 'n' roll....but i like it)
bobby boy's full of bravado
his girlfriend looks like bridgette bardot
he got drunk and crashed his car
he is such a superstar
he's a supercharged lover
sold his soul and sold his mother
for his rock 'n' roll and fame
again and again and again and again and again
bobby boy wears leather trousers
look so sexy they arouse us
travelled near and travelled far
he is such a superstar
he's a superhuman lover
love's himself and loves no other
just rock 'n' roll and fame
again and again and again and again and again
he's superficial fucker
has the girls one after the other
for rock 'n' roll and fame
again and again and again and again and again
and so on
