

# Mental Home, Late to Revise

[Music: Sergey Dmitriev. Lyrics: Marina Dolina, Sergey Dmitriev]

Save me, I see as always  
Your gaze that burns me, so cold and empty  
You scare me...  
Awake me, I hear as always  
Your silent whisper, in my strange vision  
It scares me...

Tame me away from my fear  
Away from your tears,  
Away from pain that is inside of me  
Kiss me, your kiss as always  
Will burn my dry lips  
Will give me bitter taste of repentance...

I'm not afraid of tomorrow's day  
I don't escape...

Scold me, I can't pretend here  
I cannot stay here  
You really know where you should find me  
Save me, I cried as always  
You've led me to heaven  
You've left me in clouds  
I was led astray...
