

Menzel Idina, Still I Can't Be Still

Yeah, ooohh..ooohh..oooh.

Well I don't believe in God, but she talks to me all the time
And I banished my mother, but she holds me when I cry
And I've been unfaithful, but with me he'll spend the rest of his life
And I have been forgiven
By all who I've betrayed and loved
And I have everything I want
Isn't that ever enough

Still I can't be still, Still I can't be silent
Still I can't be still, Still I can't be sane
Still I can't be Still, Still I can't be silent
Still I..... Still

Well I don't believe I'm beautiful,
but at least I have my sister's smile and,
And I, I resist the muses, but they sing to me in exile
And destiny's not defining, but it hushed me like a child
And every time I feel as though I'm closer to the eye,
Cause, norm winds blow, I run inside and now I feel revined

Still I can't be still, still I can't be silent

Still I can't be still, still I can't be sane
Still I can't be still, I can't be silent
Still I..... Still

Ensenational peace, are my quests for,
for true serenity... yeah...
No matter how hard the rain's dispersed, the thirst is never ending
No matter how many friends or angel's they send down to take me away
They can't make it okay,
They can't make it okay

hmm... And everytime I feel as though I'm closer to the eye
Those norm winds blow, I run inside, though I feel revined
Yes everytime I feel as though I'm closer to the eye
Those norm winds blow, I run inside, even though I feel revined
I don't believe I'm beautiful, at least I've got my sister's smile
And I resist the muses, but they sing to me still....
Destiny is Defining
And I...., I....., I....., I....., I....., don't believe I'm beautiful, no no no...
And I still, I don't believe I beautiful.....
