from the look in your eyes
i can tell you wanna fuck

(Mercedes)

and you ain't gotta call me yo boo
just as bad as you wanna fuck
i wanna fuck too
(repeat)

(verse 1-rapped by Mac)

nowz you ain't gotta say much
cause i was peepin' you
lookin at yo hips got me thinkin' about
how deep in you i'm tryin' to go
you heard about no limit soliders
we get up in it and hit it
harder then De la Hoya
i thought you i told you soliders
drawers Cover my balls
i'm known for
ripping the pussy wallz
i heard you got that kill
i can see all in your grill
can you ride me like a black mercedes
and make me do that shit i never did with other ladies
i got a woman so i'm not looking for love
i'm just wanna fit you glove
get a couple of uh uhz
then i'm out just like a thug
hit me on my pager if you want it
it's soldier passion so get up on it if you want it, woowoo

chorus

(verse 2-Mercedes)

put me on the counter in the kitchen now baby
cover my body wit some ice cream
lick me from head to toe
bendin me over
69 will be the next thing
i wanna taste your body
all night long
from sun up to sundown
i wanna make you moan

chorus

(verse 3- Jamo)

can I light candles
and kiss you in the places light won't show
i'll take my time and do it slow
i'll do my oral exercises right between yo thighs
it's all very pleasurable
i'll go places he won't go
lets keep it on tha low low
so he wont know now lets take it to tha floor
