

Mercenaries, Oh No You Didn't

Oh no
Oh no
Oh no
(Yo yo yo)

Oh no you didn't!

Sucka' tried to play me
But you never paid me
Never
(Oh no you didn't!)

Payback is a-comin'
You will be runnin'
Forever
(Oh no you didn't!)

Until I get my vengeance
I will never end this mayhem
(Oh no you didn't!)

I'm a mercenary
You don't ain't a prayer
You owe me
(Oh no you didn't!)

Oh no you didn't
Oh no you didn't
Oh no you didn't
Oh no you didn't

Didn't you oh no
You didn't pay me what you owe me
So now it's over for you

First you try to trap me
Then you bust a cap
In my ass
(Oh no you didn't!)

Such humiliation
Will bring annihilation
At last
(Oh no you didn't!)

It will be delicious
When I get vicious tomorrow
(Oh no you didn't!)

There's no second chances
You will do the dance of sorrow
(Oh no you didn't!)

Oh no you didn't
Oh no you didn't
Oh no you didn't
Oh no you didn't

Didn't you oh no
You didn't pay me what you owe me
So now it's over for you
(What a fool)
(Alright, c'mon)
Oh no you didn't!

Better watch your back boy
Keep runnin'
This ain't just a game
I'll never stop comin'
I've got my arsenal
I put out the call
And when I'm finished, y'all
You'll be a ragdoll

Fool tried to diss me
Now you're gonna wish you were dead
(Oh no you didn't!)

After I deliver
Your blood will be a river of red
(Oh no you didn't!)

Better be aware
When no one's there to defend you
(Oh no you didn't!)

So many ways to kill
It's gonna be a thrill
To end you
(Oh no you didn't!)

Oh no you didn't
Oh no you didn't
Oh no you didn't
Oh no you didn't

Didn't you oh no
You didn't pay me what you owe me
So now it's over for you

Oh no
Oh no
Oh no
Oh no you didn't!
